NOTES

The Cumulative List of Notices to Mariners (CLNM) is divided into two sections, namely: Section A: Chart Correcting Notices and Section B: Current Nautical Publications.

Section A lists the chart correcting notices that should be applied to nautical charts. The list is a table with the following columns:

a. Column 1: Chart

Chart numbers refer to the National Number of Philippine-issued nautical charts.

b. Column 2: Date of Update

The month and year listed in this column may refer to the:

1. Date of publication of new chart or the new edition of an existing chart;
2. Revision date of an existing chart;
3. Publication date of the chart correcting notice applied to the charts;
whichever has the most recent update

The abovementioned dates are usually printed at the bottom left of the outside margin of the chart. A chart carrying an earlier edition date than that quoted in this list is no longer valid and should be replaced with the most recent edition. New Charts and New Edition Charts are not included in this list until their publication are announced in the Philippine Notices to Mariners.

c. Column 3: Chart Correcting Notices

This column lists the chart correcting notices published in the Philippine Notices to Mariners.

The CLNM should be used in tandem with the Philippine Notices to Mariners, which may be downloaded from the NAMRIA website or requested from the Maritime Affairs Division through email at maritime.affairs@namria.gov.ph.

Section B lists the current Nautical Publications published by NAMRIA. The NAMRIA Map Sales Office (MSO) – Manila Branch may be contacted for details regarding the purchase of Nautical Publications thru telephone numbers (+632)8245-9498 and (+632) 8241-3494 local 117.
