MEMORANDUM ORDER

No. 006 J.
Series of 2022

SUBJECT: Full Implementation of the Gender and Development Information System (GADIS)

In reference to Memorandum Order 2019-021 entitled "*Policy on the Collection, Generation and Maintenance of Gender, and Development (GAD) Database*", all concerned NAMRIA personnel are hereby directed to fully implement GADIS for the viewing, maintenance and updating of Sex Disaggregated information. This web-based information system shall be used to store relevant documentation for the planning, implementation, and monitoring and evaluation of GAD-mainstreamed projects. The GADIS data shall be used in the identification of gender issues and input in the policy formulation and development of programs, activities and projects to address gender gaps.

All concerned Divisions and project implementers shall regularly update the GAD database. The Geospatial System Development Division (GSDD) shall maintain this information system while the NAMRIA GAD Focal Point System (GFPS) shall monitor the system implementation.

This order shall take effect immediately.
